

Board Policy
Public Participation in Board Meetings

Meetings of the Dodge County Board of Commissioners are structured to allow the Board to conduct its public business. Meetings of the Board are open to the public, but are not to be confused with public forums. When time permits, the Dodge County Board of Commissioners as a matter of general operating procedure offers an opportunity for citizens of the county to address the Board in open session. The following rules shall be adhered to:

1. The Board requires individuals to contact the County Manager and/or elected officials in an effort to secure a satisfactory solution to any concerns prior to referral to the Board of Commissioners.
2. To be placed on the agenda, individuals must request to appear before the Board in writing by noon at least five (5) days prior to the regular meeting of the Board (ie, the Board normally meets on Monday. To be on the agenda, the individual must complete the form and return to the Board of Commissioners' office the completed request form by noon on Thursday). The request must state clearly the topic or issue to be addressed.
3. Each person whose name is placed on the agenda will be given five (5) minutes to make his/her comments, but the total time allotted for citizen participation will be limited to thirty (30) minutes.
4. Where several citizens wish to address the same topic or issue, the Board reserves the right to further limit discussions should they become repetitive. In the event a group or a delegation wishes to address an issue before the Board, the group must designate a representative to speak for the group or delegation.
5. While citizens may use their allotted time to take serious issue with Board decisions, the Chairperson will not permit anyone to become personally abusive of individual board members, county officials or employees.
6. When issues arise that stimulate high community interest, the Board or Chairman may schedule special meetings specifically to invite public comment. In those circumstances, the Board will establish special guidelines for participation.
7. The Board or Chairperson will not respond to comments or questions posed by citizens in their presentations, but will take those comments and questions under advisement.

The Dodge County Board of Commissioners, by majority vote, may extend or further limit the time allotted for citizen participation.
