The Dodge County Road Committee held a meeting at the Dodge County Pearl Bates Courthouse Annex Wednesday, April 12, 2023, at 10:30 a.m. with County Manager Bearden presiding. He called the meeting to order, and Commissioner Cheek led a prayer.

**Business:**

County Manager Bearden identified the scope of the committee, which is to identify and recommend improvements to all roads using standard metrics and environmental factors. Metrics include traffic patterns, bus routes, and density and population. Environmental factors include construction material of the roads.

Manager Bearden presented a Dodge County Road Network List. The list is a work-in-progress and will identify all county-maintained roads.

The committee also discussed potential restructuring of the county road department. Manager Bearden updated the committee regarding the work order system, which seems to be working well to identify road issues.
