

AMERICANS WITH DISABILITIES ACT PLAN

Including policies regarding General ADA Requirements, Reasonable Modifications,
No Shows, and a Suspension Appeals Process

for

DODGE TRANSIT

ADA Contact Information

Name & Title: Ramona Sheffield, Transit Director

Mailing Address: P.O. Box 818, Eastman, GA 31023

Phone Number: 478-374-4361

Email Address: dodgecountytransit@gmail.com

I. Introduction and Purpose

The Americans with Disabilities Act of 1990 (ADA) requires that individuals with disabilities receive the same level of service as non-disabled individuals. Services that are “separate but equal” are not acceptable. Section 504 prohibits discrimination on the basis of disability in any program or activity receiving Federal financial assistance.

This ADA policy is written to establish operating and service guidelines and procedures for the implementation of the requirements of the Americans with Disabilities Act of 1990 (ADA), the U.S. Department of Transportation (U.S. DOT) regulations for implementing ADA (49 CFR Parts 27, 37 and 38), and any applicable state laws and regulations. DODGE TRANSIT operates a demand-response service and complies with ADA requirements with respect to such services.

ADA Policy Statement

It is the policy of DODGE TRANSIT to comply with all the legal requirements of federal and state laws and regulations as they pertain to individuals with disabilities. If state laws and federal regulations are contradictory, the federal ADA regulations prevail. The transit system provides quality transportation services without discrimination to all persons including individuals with disabilities. Discrimination on the basis of disability against any person by transit system employees will not be condoned or tolerated.

Goals: Service is provided in a manner that meets the following goals:

1. Provides safe, accessible, and dignified services to all persons, including individuals with disabilities.
2. Expedites the safe and efficient boarding, securing, transporting, and alighting of all passengers, regardless of mobility status.
3. Accommodates a wide range of mobility aids within the confines of available vehicles and commercial standard equipment.

Applicability: This policy applies to all transit system employees, services, facilities, and vehicles. It applies equally to all persons needing and/or using the services provided by the system.

Definitions:

Disability: With respect to an individual, a physical or mental impairment that substantially limits one or more of the major life activities of such individual; a record of such an impairment; or being regarded as having such an impairment.

Fixed Route Service: Operates along a prescribed route according to a fixed (regular) schedule.

Mobility Device: A device that is designed to assist an individual with disabilities with locomotion. Examples include wheelchairs, canes, crutches, and walkers. Also called mobility aid.

Securement Area or Station: A designated location for riders using wheelchairs, equipped with a securement system.

Securement Device, Equipment or System: Equipment used for securing wheelchairs against uncontrolled movement during transport.

Service Animal: Any guide dog, signal dog, or other animal that has been individually trained to work or perform tasks for an individual with a disability, including, but not limited to, guiding individuals with impaired vision, alerting individuals with impaired hearing to intruders or sounds, providing minimal protection or rescue work, pulling a wheelchair, or fetching dropped items.

Wheelchair: A mobility aid belonging to any class of three- or more- wheeled devices, usable indoors, designed or modified for and used by individuals with mobility impairments, whether operated manually or powered.

II. General Guidance and Procedures for Implementing Policy

Recruitment and Employment

As stated in the transit system's personnel policies, the agency is an Equal Opportunity Employer (EOE) and fully complies with ADA in its recruitment, hiring, and continued employment practices.

Facility and Vehicle Accessibility

The transit system administrative facility, passenger facilities and vehicles shall meet or exceed the requirements of 49 CFR Parts 27, 37 and 38 and requirements of the State of Ohio. If state requirements do not meet federal requirements, the federal ADA regulations prevail. All vehicles purchased for fixed route and route deviation service will be accessible. Vehicles purchased for demand response service will only be non-accessible to the extent that the demand response system, when viewed in its entirety, provides the same level of service for individuals with disabilities as for individuals without disabilities. The transit system will conduct an analysis of service equivalency prior to the acquisition of any inaccessible vehicles for demand-responsive service.

Vehicle and Route Assignment

- All demand response vehicles operated by DODGE TRANSIT are accessible and persons with disabilities, including wheelchair users, can board any vehicle. To the extent possible, the assignment of particular types of vehicles will be based upon rider needs.
- The demand response system of DODGE TRANSIT, when viewed in its entirety, is accessible. All trips by wheelchair users will be assigned to accessible vehicles. To the extent possible, the assignment of particular types of vehicles will be based upon rider

needs. Trip denials will be tracked by whether or not a rider requires use of the lift or ramp, to monitor that service is not disproportionately denied to individuals with disabilities because an accessible vehicle is not available. DODGE TRANSIT provides demand response rural public transportation and provides equivalent service to individuals with disabilities, that is consistent with U.S. DOT ADA regulations under 49 CFR Part 37, Section 37.77. This transportation will be provided in the most integrated setting appropriate to the needs of the individual and will be equivalent to the service provided other individuals with respect to:

- Response time
- Fares
- Geographic area of service
- Hours and days of service
- Restrictions or priorities based on trip purpose
- Availability of information and reservations capability
- Any constraints on capacity or availability

Maintenance of Accessible Features

Accessibility features on vehicles, including lifts, ramps, wheelchair securement devices and public address systems, will be maintained in operative condition. The preventive maintenance program of DODGE TRANSIT provides for regular and frequent maintenance checks of these features as well as preventive maintenance as recommended by the equipment manufacturers. In addition, the lift must be cycled as part of each pre-trip inspection.

Inoperative Lifts and Ramps

Drivers are required to report lift or ramp failures immediately. Vehicles with inoperative lifts will be removed from service and replaced with an accessible vehicle until the inoperative lift is repaired. For vehicles equipped with ramps, it may be possible to continue in service as long as the ramp can be and is deployed manually when necessary. If an inoperative ramp cannot be (or is not) deployed manually, the transit agency will apply the policy for a vehicle with an inoperative lift.

Wheelchair Accommodation

All accessible vehicles meet or exceed the requirements of 49 CFR Part 38. Transportation providers are required to carry a wheelchair and its user, as long as the lift can accommodate the size and weight of the wheelchair and its user, and there is space in the securement area for the wheelchair on the vehicle without blocking the aisle. If a vehicle lift/ramp and securement area can accommodate a wheelchair (or other mobility device), DODGE TRANSIT will transport the device (and its user).

An individual who uses a wheelchair that, when occupied, exceeds the weight rating of the vehicle lift/ramp, will be offered the opportunity to board and disembark from the vehicle separately from the wheelchair. However, transit agency personnel are not permitted to operate a passenger's wheelchair (i.e. a motorized wheelchair). The

individual may travel with another individual who can assist with operating the unoccupied wheelchair to maneuver it on and off the lift/ramp.

Boarding

Drivers and scheduling practices will provide adequate time for a passenger with a disability to board and/or disembark the vehicle, which includes adjusting the schedule if necessary and waiting for passengers to be seated before moving the vehicle. Only a properly trained transit system employee can operate the lift or ramp and secure the wheelchair in the securement station. Passengers may board facing toward or away from the vehicle.

Wheelchair Securement

- DODGE TRANSIT does not require that wheelchairs be secured on board the vehicle. However, the driver will secure a passenger's wheelchair if requested by the passenger.
- DODGE TRANSIT requires that all wheelchairs be secured. Drivers should not allow a passenger to ride if they are not secured properly unless the securement system will not accommodate the wheelchair. Drivers cannot deny a passenger a ride based on the inability to secure the wheelchair. However, drivers must warn the passengers of the danger of riding in a non-secured wheelchair. Passengers who refuse to allow their wheelchairs to be secured may be denied service.

Securement of wheelchairs is the responsibility of the driver. Drivers are trained in the proper operation of all securement equipment based on the equipment manufacturer's specifications. Drivers will listen to and respect riders' instructions on how to secure their equipment. Drivers cannot be expected to be familiar with each and every wheelchair type that may come aboard, and securement attachment points may differ by wheelchair manufacturer. The rider may be in the best position to instruct the driver on how to properly secure their mobility device.

If the securement system is not compatible with the wheelchair the passenger is using, the driver will still make an attempt to safely secure the wheelchair. If the wheelchair cannot be secured because of the wheelchair design, the passenger still has the right to ride in the vehicle.

Drivers must secure wheelchairs in the designated securement area only, even if the passenger wants their mobility device to be secured in a non-designated area. The wheelchair is not allowed to block the aisle.

In cases where an individual using a wheelchair attempts to board and requires use of a securement location that is currently occupied by another passenger that is not using a wheelchair, the driver will ask that passenger to allow the individual using a wheelchair to use the securement position.

Seat Belt Usage

When riding in a DODGE TRANSIT vehicle, seat belts and shoulder harnesses:

- are recommended but not required for passengers riding in their secured wheelchair.
- are required for ALL passengers.

Driver Assistance

Drivers will make themselves available to assist individuals with disabilities and will assist upon request of the passenger. Drivers will assist a passenger with using the vehicle ramp, lift and/or securement systems using the accessibility-related equipment and features on their vehicles.

Use of Lift or Ramp by Individuals with Disabilities Not Using a Mobility Device

The driver will deploy the lift or ramp for an individual with a disability who is not using a mobility device to board or alight the vehicle upon request.

Accommodation of Other Mobility Devices

Mobility devices that are not wheelchairs, but which are primarily designed to for use by individuals with mobility impairments, will be accommodated to the extent that the ADA-compliant lift or ramp and securement areas can safely do so. However, these devices are the responsibility of the individual passenger, and must be secured in a manner that does not interfere with the safe operation of the vehicles and the transport of other passengers.

Transfer to Fixed Seating

All passengers using wheelchairs have an option of transferring to fixed seating once on board the vehicles. Drivers may recommend, but never require, wheelchair users to transfer to fixed seating. No waivers are allowed to be required.

Accommodation of Portable Oxygen

Individuals are allowed to travel with respirators and portable oxygen supplies on board, consistent with applicable U.S. DOT rules on the transportation of hazardous materials in 49 CFR Subtitle B, Chapter 1, Subchapter C.

Priority Seating

With the exception of the wheelchair securement stations, the transit system does not require any passenger to sit in designated seating.

Priority seating for seniors and individuals with disabilities is to be designated by permanent signage in each vehicle. In cases where an individual with a disability requests use of priority seating that is currently occupied by another passenger, the driver will ask that passenger to move so as to allow the individual with a disability use of the priority seating. In cases where a wheelchair user requires the use of a securement location, the driver will ask any passenger (including other passengers with disabilities) to vacate the securement location.

Service Animals

In compliance with 49 CFR Part 37, the transit system allows trained service animals to accompany passengers with disabilities. The driver will not ask for proof of the qualifications of the animal but may ask what tasks the animal has been trained to perform. DODGE TRANSIT does not impose species or breed restrictions. However, any animal which is not under the passenger's control, or which becomes a direct threat to the health or safety of other passengers may be restricted from riding. Emotional support animals or "comfort animals" are not service animals within the context of the US DOT ADA regulations.

Alighting

It is the responsibility of the driver to determine that the location for passenger alighting is safe. For fixed route, the driver will allow a passenger who uses the lift or ramp to alight at any stop, unless the lift or ramp cannot be deployed, will be damaged if deployed, or conditions at the stop would present unsafe conditions for all passengers. Only the driver will unsecure the wheelchair and operate the lift or ramp to return the passenger to the ground level.

Staff Training

All drivers and transit system staff are trained to proficiency in use of accessibility equipment, the operating policies related to each of the service requirements described, and in properly and respectfully assisting and treating individuals with disabilities with sensitivity. Mechanics are also trained to properly maintain lifts and other accessibility equipment.

Rider Information

All printed informational materials are made available in accessible formats upon request, for example, large print for individuals with low vision or audio for blind individuals, as well as accessible electronic formats.

Personal Care Attendants

Under the ADA, an agency cannot require a passenger to have a personal care attendant (PCA). If a PCA accompanies a passenger, the PCA will ride free of charge. A family member or friend is not considered a PCA, unless that individual is acting in that capacity.

Stop Announcements

- DODGE TRANSIT does not operate a deviated-fixed route.
- DODGE TRANSIT operates a deviated-fixed route service. As such, stop announcements and route identification announcements are made at transfer points, major intersections, destination points, intervals along the route sufficient to orient passengers to their location, and any stop request as is required.

Systems that operate a deviated-fixed route will:

- Make stop announcements using an automated system but ensure that drivers are trained to make announcements in the case of system failures.
- Train drivers to verbally make stop and route identification announcements in a clear and concise manner in order to adequately assist clients who may have a disability that prevents them from otherwise recognizing stops and/or routes.

Complaint Procedure

All complaints of discrimination on the basis of disability will be promptly and objectively investigated and forwarded to the Transit Director and promptly and objectively investigated. Complaints are also be submitted to the GDOT (enter appropriate State DOT).

DODGE TRANSIT will promptly communicate its response to the complaint allegations, including its reasons for the response, to the complainant. The response will be documented. Corrective or disciplinary action will be taken for behavior prohibited by this policy, up to and including termination of employment.

Documentation of each complaint will be kept on file for a minimum of one year, and a summary of all complaints will be kept for at least five years. This meets DOT regulations that require FTA grantees to maintain all complaints of noncompliance with 49 CFR Part 27 for one year, and a record of all such complaints, which is permitted to be in summary form, for five years.

No Show Policy

This policy is intended to address the actions by habitual abusers of service scheduling and provide clear protocols for addressing passengers who fail to show for their scheduled trip without properly canceling the trip. This policy is intended to address those repeat offenders, and not the occasional incident that may occur with some passengers.

DEFINITIONS

No-show – Any passenger who is unavailable for pick-up of a scheduled trip that has not notified DODGE TRANSIT to cancel that trip. Trips in which passengers will not be picked up due to circumstances related to service will not be considered a no-show.

NO-SHOW PROCEDURE

The transit operator will wait for passengers for 5 minutes beyond the early arrival pick-up time window. The transit operator will make reasonable attempts to locate the passenger. If the passenger cannot be located within the established 5 minutes, the transit operator must contact the Dispatcher with the no-show. Passengers who do not make themselves available within that window will be considered a no-show. The Dispatcher has the responsibility to determine if the transit operator is to continue without the passenger.

Upon permission to continue without the passenger, the transit operator is to record the arrival time, departure time, and vehicle mileage on the Daily Manifest.

Scheduled trips are to be cancelled at least one (1) hour prior to the time of the trip request. Any scheduled trip not cancelled within that window will be considered a no-show and will be logged as such. A no-show designation for a trip will be monitored to determine the habitual nature of no-shows associated with a passenger.

Exceptions may be made for passengers who are unduly delayed due to medical appointments or procedures and other circumstances beyond their control. The passenger will be required to contact DODGE TRANSIT as soon as practicable following the missed trip and a new driver will be dispatched as soon as possible if applicable.

HABITUAL NO-SHOW PROCEDURE

Passengers who have no-shows equal to or greater than 10% of the scheduled trips in a ninety (90) day period will be provided a written warning. In order to be subject to a warning or suspension, a passenger must have booked a minimum of three (3) trips or more in a calendar month.

A passenger will be subject to the progressive corrective action plan only if both the minimum number of trips booked and the minimum number of no-shows are reached during a calendar month. All suspension periods will begin on a Monday.

The length of a passenger's suspension will adhere to the progressive corrective action plan described as followed:

- First violation in a rolling 12-month period: Verbal Warning
- Second violation in a rolling 12-month period: 7 days
- Third violation in a rolling 12-month period: 14 days
- Fourth violation in a rolling 12-month period: 21 days

All penalties imposed under this policy are first subject to an appeals process (see Suspension Appeals Process). Before any suspension, the potentially affected individual will receive written notice that transportation service will be suspended beginning fourteen (14) days from the date of notice. The individual will receive a copy of the appeals process that details passenger rights in this situation. The written notice of suspension will contain instructions and materials necessary to challenge or appeal the suspension decision.

DODGE TRANSIT will continue to serve passengers appealing pending suspensions until all appeals have been settled. For passengers who do not choose to appeal, suspensions will commence on the date specified in the written notice.

Subscription/Standing Order reservations may be denied upon a second suspension in any consecutive 12-month period. Privileges may be reinstated without guarantee of the original subscription/standing order.

Suspension Appeals Process

A suspension may result from violations of passenger behavior rules, violation of the no-show policy, or for other inappropriate or disruptive behavior. Regardless of the reason for suspension, each passenger has a right to appeal the decision through an appeals process.

Appeals must be submitted in writing to Ramona Sheffield, Transit Director, by mail at P.O. Box 818, Eastman, GA 31023, or by email at dodgecountytransit@gmail.com within 14 days of notification of suspension. All passengers will be permitted to continue using service during the appeals process. DODGE TRANSIT management will inform all schedulers/dispatchers that the suspension is pending an appeal and to allow service to continue for the affected passenger.

An Appeals Committee will review all applicable information from DODGE TRANSIT and the involved passenger. All passengers will be offered the opportunity to speak directly with Committee members and/or the Transit Manager regarding the submitted appeal and/or circumstances that led the suspension and subsequent appeal.

After a thorough review of all available information and testimony, the Appeals Committee will have 72 hours in which to issue a recommendation to sustain or reverse the suspension. The Committee recommendation will be forwarded to the Transit Manager for final review and implementation.

The DODGE TRANSIT administration will have three (3) days to issue a final suspension decision in writing to the passenger involved. All final decisions will be implemented within seven (7) days of passenger notification.

All communications will be made available in alternate format upon request.

ADA/Title VI Complaint Form

Background

This form is used for both Title VI and Americans with Disabilities Act (ADA) complaints.

The Civil Rights of 1964 (Title VI) identifies the three classes protected by Title VI—race, color, and national origin—and allow the complainant to select one or more of those protected classes as the basis/bases for discrimination. If any of the Limited English Proficient (LEP) populations in our service area meet the Safe Harbor threshold, then the procedure will be provided in English and in any other language(s) spoken by LEP populations that meet the Safe Harbor Threshold.

The Americans with Disabilities Act of 1990 (ADA), provides protection that no individual with a disability shall on the basis of disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any federally funded program, service, or activity.

DODGE TRANSIT is committed to providing non-discriminatory service to ensure that no person is excluded from participation in, or denied the benefits of, or subjected to discrimination in the receipt of its services on the basis of race, color, or national origin as protected by Title VI of the Civil Rights Act of 1964 (Title VI) as well as providing protection that no individual with a disability shall on the basis of disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination as stated in the Americans with Disabilities Act of 1990 (ADA).

If you feel that you have been discriminated against, please provide the following necessary information to facilitate the processing of your complaint. If assistance is required to complete the form, or if you have questions, please do not hesitate to call the ADA/Title VI Coordinator at 478-374-4361. **Once completed, return a signed and dated copy to:**

**Ramona Sheffield, Transit Director
P.O. Box 818, Eastman, GA 31023**

Note: The following information is necessary to assist us in processing your complaint. Should you require any assistance in completing this form, please call 478-374-4361.

Please check one of the following below:

ADA Complaint or **Title VI Complaint**

Part I.

Name: _____

Address: _____

Telephone: _____

Email Address: _____

Additional Formats Needed:

- None TDD
 Large Print Audio Tape
 Other

Part II.

Are you filing this complaint on your own behalf?

- Yes – Proceed to Part III
 No – Please provide the name of and your relationship with this person:

Name of Individual: _____

Your Relationship: _____

Please explain why you have filed for a third party:

Confirm:

- I have obtained permission of the aggrieved party to file this form on his or her behalf.
 I have not confirmed permission to file this form on behalf of the aggrieved party.

Part III.

I believe the discrimination I experienced was based on:

- Race
 Color
 National Origin
 My Disability
 Other: _____

Date of the alleged discrimination: _____

Explain as clearly as possible what happened and why you believe you were discriminated against. Describe all persons who were involved. Include the name and contact information of the person(s) who discriminated against you (if known) as well as names and contact information of any witnesses.

Part IV.

Have you previously filed an ADA and/or Title VI complaint with this agency?

- Yes
- No

Part V.

Have you filed this complaint with any other Federal, State, or local agency, or with any Federal or State court?

- Yes
- No

If yes, check all that apply:

- Federal Agency Federal Court
- State Agency State Court
- Local Agency

Please provide the contact information for a person at the agency or court where the complaint was filed:

Name: _____

Title: _____

Agency: _____

Address: _____

Telephone: _____

Email: _____

Part VI.

Name of agency complaint is against: _____

Contact person: _____

Title: _____

Telephone number: _____

Important Notice: To protect your rights, your complaint must be filed within 180 days following the date of the alleged discrimination. Failure to file within 180 days may result in dismissal of the complaint. You may attach any additional written materials or other information that you think is relevant to your complaint to this form.

Signature and date required below.
