COUNTY: DODGE

1. What incompatibilities or conflicts between the land use plans of local governments were identified in the process of developing the service delivery strategy?
NONE

2. Check the boxes indicating how these incompatibilities or conflicts were addressed:

- Amendments to existing comprehensive plans
- Adoption of a joint comprehensive plan
- Other measures (amend zoning ordinances, add environmental regulations, etc.)

If "other measures" was checked, describe these measures:
NONE

NOTE:

If the necessary plan amendments, regulations, ordinances, etc. have not yet been formally adopted, indicate when each of the affected local governments will adopt them.

3. What policies, procedures and/or processes have been established by local governments (and water and sewer authorities) to ensure that new extraterritorial water and sewer service will be consistent with all applicable land use plans and ordinances? In 1999, Dodge County and all cities in Dodge County adopted a joint resolution to insure that proposed extraterritorial water and sewer service is compatible with land use plans and ordinances of the territory of the adjoining local government in which the new service is to be extended. This agreement is still in effect.

FORM 4: Certifications

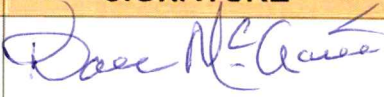

Instructions:

This form must, at a minimum, be signed by an authorized representative of the following governments: 1) the county; 2) the city serving as the county seat; 3) all cities having a 2000 population of over 9,000 residing within the county; and 4) no less than 50% of all other cities with a 2000 population of between 500 and 9,000 residing within the county. Cities with a 2000 population below 500 and local authorities providing services under the strategy are not required to sign this form, but are encouraged to do so.

COUNTY: DODGE

We, the undersigned authorized representatives of the jurisdictions listed below, certify that:

1. We have executed agreements for implementation of our service delivery strategy and the attached forms provide an accurate depiction of our agreed upon strategy (O.C.G.A 36-70-21);
2. Our service delivery strategy promotes the delivery of local government services in the most efficient, effective, and responsive manner (O.C.G.A. 36-70-24 (1));
3. Our service delivery strategy provides that water or sewer fees charged to customers located outside the geographic boundaries of a service provider are reasonable and are not arbitrarily higher than the fees charged to customers located within the geographic boundaries of the service provider (O.C.G.A. 36-70-24 (2)); and
4. Our service delivery strategy ensures that the cost of any services the county government provides (including those jointly funded by the county and one or more municipalities) primarily for the benefit of the unincorporated area of the county are borne by the unincorporated area residents, individuals, and property owners who receive such service (O.C.G.A. 36-70-24 (3)).
